

DESIGNED AND BUILT FOR THE COAST

A-Series windows and patio doors offer all of the options you need to easily create the look you've been dreaming of. Beyond delivering the style you want, A-Series products are the best performing, most energy-efficient windows and patio doors Andersen offers.

A-Series products with Stormwatch® Protection have structural reinforcements and impact glass to stand up to harsh coastal weather conditions for 24/7 peace of mind.

- Exteriors are protected by a Fibrex® composite material and fiberglass for superior strength, stability and long-term beauty.
- Exterior finish never needs painting and won't flake, rot, blister, peel or corrode*
- Exteriors warranted against corrosion for the life of the products,** no washing or waxing required*
- Hidden hardware reinforcements to meet coastal codes†
- Designed to satisfy:
 - AAMA/WDMA/CSA 101/I.S.2/A440-08 (excluding inswing patio doors)
 - Large missile impact test ASTM/E1886/E1996
 - Miami-Dade TAS 201, 202, 203
- Rated PG70††

*Visit andersenwindows.com/warranty for details.

**Excludes hardware and specialty windows.

†See your local code official for building code requirements in your area.

†† FWHD33100HP Impact DPUP +65/-70 tested to AAMA/WDMA/CSA 101/I.S. 2/A440-08. Ratings vary based on unit type and size. See your local Andersen dealer for specific performance data.
